WORK SCHEDULE: This position is overtime eligible. It works a 40 hour work; Monday through Friday; some rotating evenings and weekends.

POSITION PURPOSE: The Clinic Clerk partners with nurses, physicians, nutritionists, health services assistants, social workers and other clinic staff to provide customer service to clients and administrative support in the Family Health, Family Planning/STD's, Immunizations, Family Support Services, Oral Health and Obstetrics programs.

PRIMARY JOB DUTIES INCLUDE:

CUSTOMER SERVICE: Clerks greet, screen, and triage a high volume of clients in person and on the telephone. They respond to inquiries from clients and providers regarding public health services. They provide clinic and program information that requires limited interpretation of established policies, procedures and other relevant sources to internal and external customers over the telephone, in writing and in person. May deal with sensitive and /or potentially volatile situations. Clerks monitor client flow in the patient waiting area.

CLIENT SCHEDULING AND REGISTRATION: Clerks schedule a high volume of client appointments each month and determine the type of appointment and provider needed. They monitor and adjust client and provider schedules. Clerks determine client financial status and insurance coverage.

CLIENT ORIENTATION: Clerks inform patients of their rights and responsibilities, assist with consent forms, and ascertain client's referral needs (i.e., medical care, insurance coverage and/or basic social

service needs). Incumbent understands and is able to explain complex insurance coverage and billing/payment policies and procedures to clients. Incumbent is responsible for alerting providers to issues that may be of concern, such as suspected abuse or neglect.

TECHNICAL/CLERICAL SUPPORT: Clerks utilize Windows-based and other software to register clients, determine medical coverage and eligibility, schedule appointments and generate client encounter and billing reports. Data entered will include complex text and numbers. Clerks must resolve billing errors and denials, track outstanding patient balances. Assess and collect fees. Conduct end-of-day close-out on the cash register, including balancing the cash.

PROGRAM COORDINATION: Specialized terminology and codes are used to accurately enter data and for caseload reports and billing. Incumbents create, update, and maintain charts/records. Clerks identify and correct errors to ensure data accuracy and generate daily and monthly participant statistics. Participate in team meetings and help implement clinic flow adjustments, program changes and new procedures.

OTHER DUTIES: This position is part of a clerical pool and will be cross-trained to fill in for other clinic clerical positions as needed. May be trained to enter payroll data and reconcile paycheck errors. Incumbents may be required to train other staff on the duties performed by this position.
